

REMARKS

In response to the Restriction Requirement of July 6, 2006, Applicant hereby elects Group II, which is drawn to a recording device and is embodied by claims 32-40.

By the above amendment, non-elected claims 19-31 are cancelled, and new claims 41-43 are added. Each of the new claims is directed to the invention of Group II. Support for the new claims can be found at least at page 8, lines 7-9 of the specification as originally filed.

Having made the required election, a full examination on the merits of the elected group is requested.

Respectfully submitted,

Jean-Paul IN ALBON
